

THEY'RE AS VERSATILE AS YOU ARE.

Customization is about making a statement. It's a personal declaration of freedom. The freedom to go wherever your Honda powersport product will take you, in a style that is all your own. Let Honda Genuine Accessories and Honda Signature Accessories help you define that style.

THE ALL-NEW HONDA PIONEER 700 SIDE-BY-SIDE LINEUP

Combining Honda's legendary durability, quality and reliability with the kind of innovation Honda's customers have come to expect. Whether you need to get to your secret hunting or fishing spots, or if you want to explore some trails with the family, or even if chores and business are the order of the day, there's a Honda to suit you.

PIONEER 700 SERIES

Add more. Do more.

Let Honda take your Pioneer experience to the next level with Honda Genuine and Honda Signature accessories. Honda has made it easy for you to dress up your new side-by-side, offering you a selection of specially designed accessory packages along with over 60 individual accessory pieces. Choose the accessories that fit your lifestyle needs. With the all-new 2014 Honda Pioneer, what you add is up to you!

AVAILABLE COLOURS

GENUINE ACCESSORIES

Honda Genuine Accessories are designed specifically for your Honda vehicle and have the same quality and durability that you've come to expect from Honda. They are covered by the same warranty terms as your vehicle and can be financed into your vehicle purchase when you use Honda Financial Services.

SIGNATURE ACCESSORIES

Honda Signature Accessories combine the expertise and experience of top U.S. accessory suppliers and American Honda. The result is unique, innovative accessories designed and manufactured exclusively for Honda powersport products. They carry the same industry leading Honda warranty as Honda Genuine Accessories.

WARN WINCH KIT

Part Number: WINCH-HL3-KIT

4,000 lb. Winch by WARN
Winch Mount

This rugged and reliable custom Winch by WARN offers 4,000 lbs. of pull with best-in-class line speed. Includes winch assembly, wired remote, mounting hardware, wiring for easy installation and fully sealed, all-metal gear train and drivetrain to keep the elements out. Disc brake provides the ultimate in winch control. Limited Lifetime Warranty.

WARN PLOW KIT

Part Number: PLOW1-HL3-KIT

Plow Mount
72" Straight Plow Blade
Plow Push Tube Set

This kit allows for quick and easy installation of our custom designed plow by WARN that delivers performance season after season. Our 72" straight blade is coated for durability and corrosion resistance. Large base allows for effective plowing and adjustable gravel skids for plow level control.

PROTECTION KIT

Part Number: PROTE-HL3-KIT

Front Bumper
Rear Bumper
FR A-Arm Guard
RR A-Arm Guard

This kit is designed to provide maximum vehicle protection for whatever hazards your job site or favourite trails may bring your way.

GLASS WINDSHIELD

Part Number: OSU95-HL3-105

OSE10-HL3-500 [Wiper Kit]

Laminated safety windshield. Utilizes Honda Tool-Less clamp system. Quick installation, quick removal. Shown with optional Honda wiper kit.

Required for Wiper Kit installation:

Switch Plate and Volt Meter - OSA30-HL3-100

FULL WINDSCREEN [HARD COAT]

Part Number: 08R73-HL3-A00

The Honda Tool-Less clamp system allows for the quick and easy installation of the hard-coated full windscreen for optimal scratch resistance. Features: non-cracking, non-yellowing and impact resistant.

2-PIECE WINDSCREEN [HARD COAT]

Part Number: 08R72-HL3-A00

The Honda Tool-Less clamp system allows for the quick and easy installation of this non-cracking, non-yellowing, impact-resistant, 2-piece hard-coated poly windscreen for optimal scratch resistance. Pivoting feature will regulate cab airflow and comfort.

HALF WIND DEFLECTOR

Part Number: 08R71-HL3-A00

The Honda Tool-Less clamp system allows for the quick and easy installation of this non-cracking, non-yellowing and impact-resistant half wind deflector. Regulate cab airflow while complimenting your vehicle styling with Honda branding.

FULL WINDSCREEN [OPTICAL GRADE]

Part Number: 0SR73-HL3-200

The Honda Tool-Less clamp system allows for the quick and easy installation of this non-cracking, non-yellowing, impact-resistant full poly windscreen. Regulate cab airflow while complimenting your vehicle styling with Honda branding.

2-PIECE WINDSCREEN [OPTICAL GRADE]

Part Number: 0SR72-HL3-100

The Honda Tool-Less clamp system allows for the quick and easy installation of this non-cracking, non-yellowing, impact-resistant 2-piece pivoting windscreen. Pivoting feature will regulate cab airflow and comfort.

HARD ROOF [EXTENDED]

Part Number: OSR85-HL3-100

Rugged and durable, this hard roof allows for quick and easy installation and provides outstanding weather protection for occupants. Compatible with all Honda accessory windscreens and permits installation of the Honda accessory Light Bar.

HARD ROOF [SHORT]

Part Number: OSR85-HL3-101B

Rugged and durable, this hard roof is designed to fit over front cab area on 4-seater model. Allows for quick and easy installation and outstanding weather protection for all occupants. It is compatible with all Honda accessory windscreens and permits installation of the Honda accessory Light Bar.

BIMINI ROOF

Part Number: OSR85-HL3-322A

This Bimini roof offers quick and easy installation of our durable fabric for increased protection from the sun. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

HARD ROOF

Part Number: OSR85-HL3-101

Rugged and durable, this hard roof allows for quick and easy installation and outstanding weather protection for all occupants. It is compatible with all Honda accessory windscreens and permits installation of the Honda accessory Light Bar.

FABRIC REAR PANEL [SHORT ROOF]

Part Number: OSR85-HL3-223B

This one-piece durable fabric is designed to create a tight fit to the roof promoting water runoff. The rear panel rolls up, increasing airflow and comfort for all occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

Required for installation:

Honda Hard Roof [Short] - OSR85-HL3-101B

BIMINI ROOF

Part Number: : OSR85-HL3-322B

This Bimini roof allows for quick and easy installation of our durable fabric for increased protection from the sun. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

FABRIC ROOF/REAR PANEL [BLACK]
FABRIC ROOF/REAR PANEL [CAMO]

Part Number: OSR85-HL3-222A [Black]
 OSR85-HL3-221C [Camo]

This one-piece durable fabric roof is designed to create a tight fit promoting water run off. The rear panel rolls up increasing airflow and comfort for all occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

HARD REAR PANEL [SHORT ROOF]
HARD REAR PANEL [EXTENDED ROOF]

Part Number: OSU95-HL3-104B [Short]
 OSU95-HL3-104B [Extended]

Rugged and durable, this hard rear panel will provide years of occupant comfort. Features: Tempered glass and vented windows.

FABRIC REAR PANEL

Part Number: OSR95-HL3-211B

This rear fabric panel has a polished vinyl window for visibility, and rolls up increasing airflow for the comfort of all occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

FABRIC ROOF/REAR PANEL [BLACK]
FABRIC ROOF/REAR PANEL [CAMO]

Part Number: OSR85-HL3-211A [Black]
 OSR85-HL3-220A [Camo]

This one-piece durable fabric roof is designed to create a tight fit, promoting water run off. The rear panel rolls up, increasing airflow and comfort for all occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

HARD REAR PANEL

Part Number: OSU95-HL3-102

Rugged and durable, this hard rear panel will provide years of occupant comfort. Features: Tempered glass and vented windows.

FABRIC MID PANEL 4P [REAR PANEL 2P]

Part Number: OSR95-HL3-211A

This mid/rear panel has a zippered, polished vinyl window for visibility and rolls down increasing airflow for the comfort of occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

FABRIC FRONT DOORS [BLACK]
FABRIC FRONT DOORS [CAMO]

Part Number: OSR90-HL3-211A [Black]
OSR90-HL3-221A [Camo]

The aluminum formed door frames are lightweight and integrate with the standard half doors, allowing for quick and easy installation. The vinyl windows roll down, increasing comfort for occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

HARD FRONT DOORS

Part Number: OSU95-HL3-104

Rugged and durable, the hard front doors offer automotive style, locking push-button handles and latch. Features: Tempered glass and vented windows.

Allows for Honda Accessory side mirrors [Hard Doors].

FABRIC REAR DOORS [BLACK]
FABRIC REAR DOORS [CAMO]

Part Number: OSR90-HL3-211B [Black]
OSR90-HL3-211C [Camo]

The aluminum formed door frames are lightweight and integrate with the standard half doors, allowing for quick and easy installation. The vinyl windows roll down, increasing comfort for occupants. Features: UV fade resistant coated fabric that has been treated for maximum water repellency. Mold, mildew and abrasion resistant.

FRONT BUMPER

Part Number: 08P76-HL3-A00

Strong, steel construction for added vehicle protection. Durable gloss black powder coat adds a stylish finish. Utilizes factory mount points. Quick and easy to install.

BED EXTENDER

Part Number: 08L73-HL3-A00

Strong, durable steel bed extender for added bed space. Flips forward, allowing tailgate to close when not in use. Durable gloss black powder coat adds a stylish finish. Quick and easy to install.

REAR BUMPER

Part Number: 08P75-HL3-A00

Strong, steel construction for added vehicle protection. Durable gloss black powder coat adds a stylish finish. Quick and easy to install.

FRONT A-ARM GUARDS

Part Number: 08P73-HL3-A00

Lightweight 5052-H32 brushed aluminum. Added protection from trail hazards like rocks and logs. Quick and easy to install.

REAR CARGO NET

Part Number: 0SR95-HL3-200B

Allows maximum airflow through the cab. Off-Road performance look. Quick and easy installation. No special tools required.

REAR A-ARM GUARDS

Part Number: 08P74-HL3-A00

Lightweight 5052-H32 brushed aluminum. Added protection from trail hazards like rocks and logs. Quick and easy to install.

POLY BED LINER

Part Number: 0SP43-HL3-101

Rugged and durable, this poly bed liner provides protection to the bed and rear seat area, allowing for easy unloading of dirt or other material. Features: Moulded side slots enabling use of partitions. Quick and easy installation.

BED MAT 4P BED MAT 2P

Part Number: 0SP42-HL3-201 [4P]
0SP42-HL3-101 [2P]

Manufactured from a rugged vulcanized rubber compound. Tight, contoured fit. Pioneer branded.

FULL STORAGE COVER

Part Number: OSP34-HL3-100 [4P]
OSP35-HL3-100 [2P]

Offering side zipper for cab access without cover removal, this storage cover is made of weather-resistant synthetic material and waterproof taped seams. Comes with a storage pouch.

FRONT SEAT & HEADREST COVERS CAMO

Part Number: OSP32-HL3-201

Exclusive Honda Phantom Camo design. Fits over standard seat, seat back and headrests. Quick and easy to install. No special tools required.

REAR SEAT & HEADREST COVERS CAMO

Part Number: OSP32-HL3-201B

Exclusive Honda Phantom Camo design. Fits over standard seat, seat back and headrests. Quick and easy to install. No special tools required.

ROLL CAGE CARGO BAG

Part Number: 0SL57-HL3-101

Constructed of durable UV-treated polyester, the cargo bag secures to the roll bar with hook & loop straps. Locking buckles offer 7 zippered compartments for your storage needs.

HONDA TECMATE BATTERY CHARGER OPTIMATE 3+

Part Number: 31670-BMS-004AT

This charger offers complete 12V battery care at home, with 24/7 automatic storage control. It desulphates batteries, optimizes battery power and life. Has an effective battery test and maintenance cycle.

FRONT FLOOR MATS

Part Number: OSP63-HL3-101

Manufactured from a rugged vulcanized rubber compound. Tight, contoured fit. Pioneer branded.

SWITCH PLATE AND VOLT METER

Part Number: OSA30-HL3-100

All-in-one system consolidates all your Honda Accessory electrical needs into a single source. Switch plate mounts conveniently on dash and accommodates four Honda Accessories. Precision Volt Meter integrates into switch panel and monitors power usage. Includes customizable warning and reminder settings. Plug and play design specifically for your Pioneer, for quick, easy installation. Included fuse box mounts conveniently under the hood. Necessary to install: wiper kit, heater fan kit, auxiliary lights and light bar.

LIGHT BAR [SPOT]

Part Number: OSV31-HL3-301

Stylish 14" light bar features 3-watt Cree LED lights, providing exceptional performance with minimal battery draw. Produces 3,600 lumens in a spot pattern. Rugged aluminum powder coated housing with polycarbonate lens. IP68 rated – waterproof, submersible. Multiple mount locations. Mount clamps sold separately.

Required for installation:

Switch Plate and Volt Meter - OSA30-HL3-100

ACCESSORY SUB HARNESS

Part Number: 08Z02-HL3-A00

Required for installation of back-up alarm and/or horn kit.

HEATER FAN KIT

Part Number: 0SE01-HL3-101

High efficiency heater features 22,000 BTU/hour and 153CFM blower for maximum comfort. Four closable vents [2 dash and 2 floor] for driver/passenger availability.

Required for installation:

Switch Plate and Volt Meter - OSA30-HL3-100

AUXILIARY LIGHTS [FLOOD]

Part Number: OSV31-HL3-201

Pair of 4" auxiliary lights feature 3-watt Cree LED lights, providing exceptional performance with minimal battery draw. Produces a combined 2,400 lumens [1,200 each] in a flood pattern. Rugged aluminum black powder coated housings with polycarbonate lens. IP68 rated – waterproof, submersible. Multiple mount locations. Mount clamps sold separately.

Required for installation:

Switch Plate and Volt Meter - OSA30-HL3-100

LIGHT BAR 38MM/AUX CLAMP LIGHT BAR 41MM/AUX CLAMP LIGHT BAR 44MM/AUX CLAMP

Part Number: OSV31-HL3-201A [38MM]

OSV31-HL3-302A [41MM]

38MM/41MM - Required to attach Honda Accessory Light Bar or Aux. Lights to cab frame.

44MM - Required to attach Honda Accessory Light Bar or Aux. Lights to accessory bumper lower tubes.

**HORN KIT**

Part Number: 08P72-HL3-A00

Easy to install horn assembly.

Required for installation:

Accessory Sub Harness - 08Z02-HL3-A00

**REAR-VIEW MIRROR**

Part Number: 0SV05-HL3-201

Panoramic mirror with excellent visibility. Utilizes Honda Tool-Less clamp system. Quick installation, quick removal. Secure and rigid mount.

**SIDE MIRRORS**

Part Number: 08V04-HL1-200

Increase driver visibility with adjustable positioning.

**BACK UP ALARM**

Part Number: 08V70-HL3-A00

Automatically activates a loud beep whenever the Pioneer is put in reverse.

Required for installation:

Accessory Sub Harness - 08Z02-HL3-A00

**SIDE MIRRORS [DOOR MOUNT]**

Part Number: 0SV05-HL3-202

Mounts to Honda Accessory Hard Front Doors. Increased driver visibility and adjustable positioning.

Required for installation:

Hard Front Doors - 0SU95-HL3-104

**FLAG WITH MOUNT**

Part Number: 0SR95-HL3-F10

Easy installation with Honda Tool-Less clamp. Meets off-road regulations. Honda branded.

DRAW BAR

Part Number: 08L90-HL1-300A

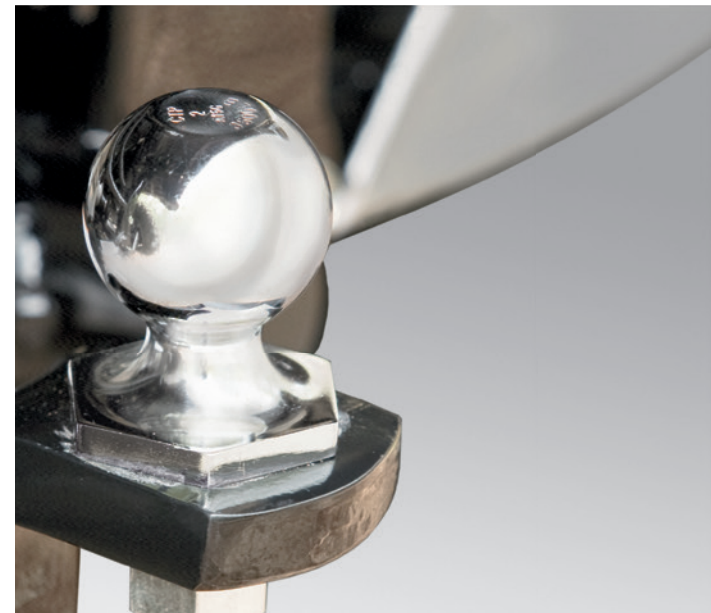

Accepts 1 7/8" Hitch ball.

RECEIVER HITCH PLUG

Part Number: 08L90-HL1-300B

Heavy-duty, weather resistant rubber plug helps keep dirt and water out of hitch receptacle.

HITCH BALL

Part Number: 08L90-HL1-300C

Includes all hardware. Ball size: 1 7/8"

SEAMLESSLY SHIFTS BETWEEN WORK AND FUN

Introducing the compact, capable and remarkably versatile Pioneer 500. This nimble side-by-side is built to tackle the workdays and the weekends. The electric shift system featuring paddle shifters puts you in control and delivers loads of fun, while the 50" width gets you into places other side-by-sides can't. Throw in our legendary reliability, and there's nothing holding you back.

PIONEER 500 SERIES

Add More. Do More.

Let Honda take your Pioneer experience to the next level with Honda Genuine and Honda Signature accessories. Honda has made it easy for you to dress up your new side-by-side, offering you a selection of specially designed accessory packages along with over 45 individual accessory pieces. Choose the accessories that fit your lifestyle needs. With the all-new Honda Pioneer 500, what you add is up to you!

AVAILABLE COLOURS

GENUINE ACCESSORIES

Honda Genuine Accessories are designed specifically for your Honda vehicle and have the same quality and durability that you've come to expect from Honda. The Protection Kit is designed to deliver maximum protection from whatever the job site or trail throws in the Pioneer's path.

FULL POLY TIP-OUT WINDSCREEN [HARD COAT]

Part Number: 08R74-HL5-A01

Constructed of optical grade polycarbonate with premium hard coating for optimal scratch resistance. Non-cracking, non-yellowing material, excellent impact resistance. Windscreen tips out, allowing air flow to driver and passenger, and is fully adjustable.

Modular design works with either Honda Accessory Hard Roof or Fabric Roof configurations.

FULL POLY TIP-OUT WINDSCREEN [OPTICAL]

Part Number: 0SR73-HL5-100

Constructed of optical grade polycarbonate. Non-cracking, non-yellowing material, excellent impact resistance. Windscreen tips out, allowing air flow to driver and passenger, and is fully adjustable. Custom screen printed graphics compliment vehicle styling.

Modular design works with either Honda Accessory Hard Roof or Fabric Roof configurations.

WIND DEFLECTOR

Part Number: 0SR73-HL5-101B

Constructed of optical grade polycarbonate. Non-cracking, non-yellowing material, excellent impact resistance. Custom screen printed graphics compliment vehicle styling.

FABRIC ROOF/REAR PANEL [BLACK]
FABRIC ROOF/REAR PANEL [CAMO]

Part Number: OSR85-HL5-200 [Black]
OSR85-HL5-400C [Camo]

One piece design is constructed of black durable Sur Last® fabric for superior performance in harsh conditions. Mold/Mildew and Abrasion Resistant. The exclusive Honda Phantom Camo™ design is made of durable 600-denier fabric for superior performance. Both tops feature fiber rods that create a tight custom fit to the roof while promoting water runoff. Rear window zips open and rolls up, increasing airflow through the cab. Polished vinyl window is rated at -34°C cold crack.

HARD ROOF

Part Number: 08R70-HL5-A01

Manufactured from ultra-rugged, extremely durable high molecular weight polyethylene. Outstanding weather protection. Utilizes Honda Tool-Less clamp system for quick installation, quick removal. Styled to integrate with vehicle design.

Compatible with all Honda Accessory Windscreens and includes mount points for Honda Accessory Light Bar.

REAR CAB NET

Part Number: OSR95-HL5-200B

Allows maximum airflow through the cab. Off-Road performance look.

FABRIC DOORS [BLACK]
FABRIC DOORS [CAMO]

Part Number: OSR90-HL5-210 [Black]
OSR90-HL5-410C [Camo]

Aluminum CNC formed door frames are lightweight and provide a consistent fit that integrates with standard half doors. Double zippered vinyl windows roll down, increasing airflow thru the cab. Vinyl is rated at -34°C cold crack. The black fabric doors are made of durable Sur Last® fabric for superior performance in harsh conditions. Mold/Mildew and Abrasion Resistant. Exclusive Honda Phantom Camo™ design doors are made of durable 600-denier fabric.

BIMINI TOP [BLACK]
BIMINI TOP [CAMO]

Part Number: OSR85-HL5-322B [Black]
OSR85-HL5-422C [Camo]

Affordable top blocks the sun and helps protect occupants from the elements. The Bimini top black is made of durable Sur Last® fabric for superior performance in harsh conditions. The exclusive Honda Phantom Camo™ design is made of durable 600-denier fabric for superior performance. Both tops feature fiber rods that create a tight custom fit to the roof while promoting water runoff. Mold/Mildew and Abrasion Resistant.

FABRIC REAR PANEL [BLACK]

Part Number: OSR95-HL5-100

Made of durable Sur Last® fabric for superior performance in harsh conditions. Mold/Mildew and Abrasion Resistant. Window zips open and rolls up increasing airflow through the cab. Polished vinyl window is rated at -34°C cold crack.

ALUMINUM A-ARM GUARDS [RR]

Part Number: 08P71-HL5-A00

Lightweight 5052-H32 brushed aluminum. Added protection from trail hazards like rocks and branches.

ALUMINUM A-ARM GUARDS [FR]

Part Number: 08P70-HL5-A00

Lightweight 5052-H32 brushed aluminum. Added protection from trail hazards like rocks and logs. Quick and easy to install.

UNDER SEAT STORAGE BOX

Part Number: 08L77-HL5-A00

Convenient under seat box provides additional storage [5.2L].

Easy install/removal with plastic push pins.
No tools required

FRONT BUMPER

Part Number: 08P73-HL5-A00

Strong, steel construction for added vehicle protection. Factory mount points and durable gloss black powder coat adds a stylish finish

REAR BUMPER

Part Number: 08P74-HL5-A00

Strong, steel construction for added vehicle protection. Durable gloss black powder coat adds a stylish finish.

FRONT UNDERHOOD TRAY

Part Number: 08L78-HL5-A00

Large volume [22.5 litres] storage tray is sealed to minimize water and dust intrusion.

Easy install/removal with plastic push pins.
No tools required

ALUMINUM SKID PLATE

Part Number: 08P72-HL5-A00

3-piece set of brushed aluminum plates provides added vehicle protection. 5052 aluminum is 4-mm thick.

CARGO TRAY

Part Number: 08L79-HL5-A00

Manufactured from ultra-rugged, extremely durable high molecular weight polyethylene. Converts cargo rack into a convenient storage platform perfect for small yard work, landscaping or other tasks. Molded side slots and rounded perimeter allows for bungee cord tie-downs or cargo nets. Easy-to-clean, resistant to debris build-up.

FULL STORAGE COVER

Part Number: 0SP35-HL5-100

Constructed of weather-resistant synthetic material; taped seams are water proof. Features Honda & Pioneer logos. Includes storage pouch. Side zippers allow cab access without removing the cover.

Designed to accommodate Pioneer 500 with Accessories.

RUBBER FLOOR MATS

Part Number: 0SP63-HL5-101

Manufactured from rugged non slip, vulcanized rubber compound. Pioneer branded with tight, contoured fit.

REAR RACK BAG [SMALL]

Part Number: 0SL56-HL5-100B

Made of heavy duty 600-denier material for superior performance. Water, UV and Mold Resistant. Features water/mold resistant, interior compartments, carry handle and a shoulder strap.

CAB FRAME CARGO BAG

Part Number: 0SL57-HL5-101

Constructed of durable UV treated polyester. Includes 7 convenient zippered compartments and zipper pulls for easy operation. Secures to roll bar with hook & loop straps and locking buckles. Honda logo.

CARGO BOX

Part Number: OSL52-HL5-200

Lockable, polyurethane cargo box. Weather-resistant lid gaskets to seal out dust, moisture and the elements. 450-lbs. carrying capacity. Includes mounting brackets.

REAR RACK BAG [LARGE]

Part Number: OSL56-HL5-100A

Constructed of durable UV treated polyester, the cargo bag secures to the roll bar with hook & loop straps. Locking buckles offer 7 zippered compartments for your storage needs.

Compatible with Rear Rack Bag [Small] - OSL56-HL5-100B for maximum storage.

LIGHT BAR [SPOT]

Part Number: 0SV31-HL3-301

Stylish 14" light bar features 3-watt Cree LEDs, providing exceptional performance with minimal battery draw. Produces 3,600 lumens in a spot pattern. Protected in a rugged aluminum black powder-coated housing and polycarbonate lens. IP68 rated – waterproof, submersible.

Required for installation:

Accessory Aux Lights/Light Bar Wire Harness - 0SV31-HL5-201E

Accessory Sub Harness - 08Z08-HL5-A00

AUX LIGHTS [FLOOD]

Part Number: 0SV31-HL3-201

Pair of 4" auxiliary lights features 3-watt Cree LEDs, providing exceptional performance with minimal battery draw. Produces a combined 2,400 lumens [1,200 each] in a flood pattern. Protected in a rugged aluminum black powder-coated housing and polycarbonate lens. IP68 rated – waterproof, submersible.

Required for installation:

Accessory Aux Lights/Light Bar Wire Harness - 0SV31-HL5-201E

Accessory Sub Harness - 08Z08-HL5-A00

WORK LIGHT

Part Number: 08U71-HL5-A00

Handy 10-watt Cree LED light provides exceptional performance with minimal battery draw. Adjustable pedestal mount. Produces 1,000 lumens in a flood pattern. Protected in a rugged aluminum black powdercoated housing and polycarbonate lens. IP68 rated – waterproof, submersible.

Required for installation:

Work Light Wire Harness - 08Z70-HL5-A00

Accessory Sub Harness - 08Z08-HL5-A00

HORN KIT WIRE HARNESS

Part Number: 08Z71-HL5-A00

Required for installation of Honda Accessory Horn

BACK UP ALARM

Part Number: 08V70-HL5-A00

Automatically activates a loud beep whenever Pioneer is put into reverse.

Required for installation:

Back-Up Alarm Wire Harness - 08V71-HL5-A00

Accessory Sub Harness - 08Z08-HL5-A00

SIDE MIRROR

Part Number: 0SV05-HL5-100

Increased driver visibility with adjustable positioning. Includes right and left mirrors.

Not compatible with Honda Fabric Door or Hard Door Accessories.

FLAG WITH MOUNT

Part Number: OSR95-HL3-F10

Honda branded Flag Kit. Uses Honda Tool-Less Clamp for easy, secure installation

HORN KIT

Part Number: 08P75-HL5-A00

Easy-to-install horn assembly.

Required for installation:

Horn Kit Wire Harness - 08Z71-HL5-A00

Accessory Sub Harness - 08Z08-HL5-A00

REAR VIEW MIRROR

Part Number: 0SV05-HL5-201

Panoramic mirror with excellent visibility. Secure and rigid mount.

DRAW BAR

Part Number: 08L76-HL5-A00

Allows installation of 1 $\frac{7}{8}$ " or 2" hitch ball.

HITCH BALL

Part Number: 08L90-HL1-300C

1 $\frac{7}{8}$ " hitch ball. Includes nut and lock washer.

BEST ON EARTH™

Honda invented the ATV, introducing the humble ATC90 way back in 1970. Now with over 40 years of ATV manufacturing experience, Honda has elevated ATV design and the ATV riding experience to a level that can simply be described as Best On Earth™. Honda welcomes you to a new way of riding. Welcome to the world of TRX.
