LEADING THE WAY

The All-New Honda Pioneer Side-by-Side Lineup

The all-new Pioneer 700 side-by-side lineup combines Honda's legendary durability, quality and reliability with the kind of innovation Honda customers have come to expect. Whether you need to get to your secret hunting or fishing spots, or if you want to explore some trails with the family, or even if chores and business are the order of the day, there's a Honda Pioneer to suit you. Choose from the Pioneer 700, built for two, or the one-of-a kind, innovative Pioneer 700-4 which allows you to quickly transform your cargo space to share your ride with up to three passengers. With Honda engineering and industry-unique features, the all-new Honda Pioneer lineup has been built with your needs in mind.

Another Honda First

You won't find another side-by-side like it — the all-new Pioneer 700-4 with folding in-bed passenger seats. This innovative design helps give you unprecedented flexibility on the trail or on the job. Need to haul some serious cargo? With the seats folded down you've got a 454 kg (1000 lbs) capacity cargo box that's easy to load and even easier to dump, thanks to its hydraulically assisted tilt feature. Want to carry one or two, or even three additional passengers in comfort? Just flip up one or both of the hidden bed-mounted seats and you're ready to go.

With its advanced 700-class engine, a durable, mechanical automatic transmission with a heavy-duty torque converter, the 700-4 can tow up to 680 kg (1500 lbs). Finished with aggressive styling and available in three colour options (Red, Green or the all-new Honda Phantom Camo™), the Pioneer 700-4 will take you where you need to go.

+ INNOVATION

First to offer two-seat, three-seat and four-seat configurations for complete versatility

+ COMFORT

Long-travel, adjustable suspension for a smooth ride over rough terrain

+ SIZE

Seating for four on the footprint of a two-seater gives excellent manoeuvrability in tighter trails

+ FUNCTION

Rear seats fold easily without tools for functionality and use of tilt bed space

A New Way To Get the Job Done

The all-new Pioneer 700 is here and ready for duty, setting new standards for comfort, utility and style in a traditional side-by-side configuration. The two-passenger sibling of the Pioneer 700-4 shares the same great features and the same heavy-duty drivetrain and chassis as the 700-4, but offers a coventional tilt cargo bed. The drivetrain features the Honda Automatic transmission; this automotive-style transmission with heavy-duty torque converter is akin to the transmission in your truck, and is unique in this class. The 675 cc liquid-cooled engine features fuel injection for easy cold starts and flawless operation in a wide range of conditions. The fully independent suspension offers a smooth ride and confidence over rough terrain. The rugged Occupant Protective Structure, as well as standard doors and side nets help enhance your safety and offer peace of mind. Whether used for work or for fun, the new Pioneer 700 will quickly become your most trustworthy partner.

PASSENGER FRIENDLY*

Both rear seats fold independently. They're weather resistant and comfortable too.

NO TOOLS NEEDED*

Since the seats fold open or closed in just seconds, switching configurations is fast and simple.

MAXIMUM VERSATILITY*

With the new Pioneer 700-4, you get a passenger-friendly four-seater that's also incredibly versatile—the perfect choice for both work and play.

MULTIPLE CONFIGURATIONS*

Two passengers? Three passengers? Cargo? The Pioneer 700-4 lets you do it all.

EASY ACCESS*

The bed sides offer integrated doors for passenger entry or cargo loading.

ENGINE	675 cc liquid-cooled OHV single-cylinder four-stroke
FUEL SYSTEM	Fuel Injection (PGM-FI), 40 mm throttle body
IGNITION	Full-transistorized with electronic advance
TRANSMISSION	Automotive-style with hydraulic torque converter, three forward gears and reverse. Three drive modes include 2WD, 4WD and 4WD with differential lock
DRIVELINE	Direct front and rear driveshafts
FRONT SUSPENSION	Independent double-wishbone; 200 mm (7.9 in.) travel
REAR SUSPENSION	Independent double-wishbone; 231 mm (9.1 in.) travel
FRONT BRAKE	200 mm hydraulic discs
REAR BRAKE	170 mm hydraulic disc
BED CAPACITY	454 kg (1000 lbs)
TOWING CAPACITY	680 kg (1500 lbs)
LENGTH	2916 mm (114.8 in.)
WIDTH	1524 mm (60.0 in.)
WHEELBASE	1951 mm (76.8 in.)
FUEL CAPACITY	31 litres, including 4.5 litre reserve
CURB WEIGHT**	Pioneer 700: 572 kg (1261 lbs) Pioneer 700-4: 633 kg (1396 lbs)

TILT BED

Both of our Pioneer models feature tilt beds with a 454 kg (1000 lb) capacity. A hydraulic assist strut makes work easy.

TRACTION

Two-wheel drive or four-wheel drive, with or without locked front differential give the Pioneer 700s plenty of traction options.

INDEPENDENT REAR SUSPENSION

Independent Rear Suspension (IRS) means you get a smoother ride and better suspension action on rough ground.

CARGO HAULER

The perfectly flat cargo area in the Pioneer 700 allows for maximum versatility and is also available in the Pioneer 700-4 by easily folding down the in-bed seats.

LOADED WITH FEATURES

Front and rear disc brakes, selectable 2WD/4WD, and a degree of finish and build quality nobody can match— Honda's Pioneers have it all.

*Only on the Pioneer 700-4 model

**Includes all standard equipment, required fluids and a full tank of fuel.

Why Honda?

Honda has built a reputation on superior design and innovation, strong performance and legendary durability, quality and reliability. Owning a Honda means having the confidence that your side-by-side is a superior product and will get you back home at the end of the day. It also means that you have the support of Honda dealers and technicians who are trained to maintain the original quality of your product throughout its lifetime. High quality products, dealer support and customer satisfaction, that's why so many people choose Honda.

Honda builds its side-by-side models to meet some of the toughest engineering standards in the world, and formulates its oils to those same high standards, thereby maintaining your Honda at peak performance. You bought a Honda because of its quality, performance and reliability. Why not match one of the finest products you can own with some of the finest oils on the market. Don't settle for an imitation when you can buy the original.

Let Honda take your Pioneer experience to the next level with Honda Genuine and Honda Signature accessories.

Honda Genuine Parts are made for your Honda. They maintain the quality, reliability and performance of your product. When the time comes for you to service, repair or enhance your Honda, don't settle for an imitation. Only Honda Genuine Parts can maintain the original operating specifications of your Honda and offer a perfect fit every time. Let trained Honda technicians keep your Honda healthy with Honda Genuine Parts.

Plus

Honda Financial Services and Honda Plus

At Honda Financial Services, we aim to make your financing experience as simple as possible. For additional peace of mind, our Honda Plus protection covers most repairs for the duration of your plan. Choose from a wide variety of options to suit your lifestyle.

Honda Powersports Canada

@HondaPowerCA

Riding a motorcycle, ATV or side-by-side can be hazardous. Honda Pioneer is recommended for drivers 16 years of age and older, and tall enough to wear the seat belt properly and reach all the controls. The passenger should also be tall enough for the seat belt to fit properly and brace themselves, if needed, by placing both feet firmly on the floor while grasping the hand hold. For your safety always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Never engage in stunt riding. Inspect your vehicle before riding, read your owner's manual, and Honda recommends that all riders take a rider training course. Always obey local laws, use common sense and respect the rights of others when you ride. Whenever you ride off-road, always stay on established trails in approved riding areas. Make sure you obtain written permission before riding on private land. Keep your riding area clean and never modify the spark arrestor or exhaust system. Visit honda.ca for additional safety information.
